

15 Years of Stories for Grownups Anniversary Celebration

Back for a **COMMAND PERFORMANCE**. With 50% new and 50% Signature Stories. **THE BEST OF HIS BEST. ONE NIGHT ONLY. APRIL 13TH 7 P.M.**

It's hard to believe, but Dr. Sidney B. Simon, the Island's famous Story Teller, did his first "Friday Stories for Grownups" at the Sanibel-Captiva Library back in 2002. It quickly found an audience and down through the years there were close to Standing Room Audiences many Fridays.

Now, on **Thursday APRIL 13TH at 7 p.m.** friends of Friday Stories for Grownups will hold a **SECOND 15th Anniversary Evening** where Dr. Simon will tell highlight stories from that first year, 2002, and right up through 2017. **One of the highlights of the series is that these are "No Charge" events.** The Library fully supports story telling. Simon wanted an **evening** event for all those people who were not always available for afternoon events.

Story Telling came easy to this veteran Teacher with 40 years of using stories in his classes. He was nominated as Teacher of the Year at the University of Massachusetts where he spent the last 25 years of his career.

Simon became internationally know for his work in Values Clarification and earned a place on The Oprah Show and he and his son, John, appeared on the Phil Donahue Show. He was a keynote speaker at the Betty Ford Center in California and traveled all over the U.S., Canada and 7 countries in Europe delivering workshops. His book **VALUES CLARIFICATION, a Handbook of Practical Strategies for Teachers and Students,** was widely popular. There were 600,000 copies in print.

So, Mark your calendar, for 7 p.m. APRIL 13TH and come early to the Sanibel Library. **IT WAS A SELL OUT CROWD LAST TIME, AND PEOPLE WERE TURNED AWAY. THE ROOM WAS FULL.** We expect a crowd of former fans and friends of **FIRST FRIDAY STORIES FOR GROWNUPS** featuring Dr. Sidney B. Simon. **WE WILL WELCOME YOU.** For further information call the Library at 472-2483.
