

Report of the Financial Review Committee  
Gulf Coast Writers Association, Inc.  
20 February 2018

To the Board of Directors:

We the undersigned have examined the financial statements, bank accounts and underlying paperwork of the Gulf Coast Writers Association for the year ending December 31, 2017. In our opinion the financial statements present fairly, in all material respects, the financial condition of the association and its operation.

This financial review is not a formal audit. A formal audit would be performed by a professional accountant and would follow strict procedures and standards prescribed by that profession. This review is intended solely to assure the board and the membership of the association that reasonable care has been taken with regard to the association's finances.
